Bro. Charles Imhoff

Born on an Easter Monday, in Kolmar, Alsace, Charles Imhoff received his primary education in the city of his birth. At the age of 14, he entered the Marianist Postulate at Bourogne, France. In 1904, he arrived at the Monstreux Novitiate for a year and a half of studies. He made his first profession of religious vows in 1905. And in 1908 he earned a diploma for teaching. Shortly afterwards Brother embarked on a liner bound for Yokohama. He arrived on March 9, a cold, wintry day, with snow covering the hills around the city.

Since his arrival, Bro. Charles has taught in Marianist schools up and down the Japan island chain. His only furlough to his native Alsace, since his arrival in Japan, was in 1935.

Bro. Charles' first assignment at SJC came in 1917 as homeroom teacher of the 5th grade. He has served at SJC for intervals since then, finally remaining here in 1952.

Last November, marked the 60th anniversary of his first profession of vows in the Society of Mary. Although many of us will remember him as he taught us in class, or for his weekly promenades through Yokohama,

we should not overlook the fact that he is dedicated to preparing us for the future as he has also prepared generations before us.

It is indeed an honor to be able to dedicate the Forward of 1966 to Bro. Imhoff on the occasion of his Diamond Jubilee.

DEDICATION TO

Bro. Charles Loebig received his primary education at St. Leo's School in his native Pittsburgh. When a Marianist priest preached for vocations, Bro. Loebig and five classmates were recruited for the Marianist Postulate at Beacon, New York. The Postulate was soon converted into a novitiate and subsequently Bro. Charles became a novice and then a brother. He made his first profession of vows in 1941 and his perpetual vows in 1945. Although he began his undergraduate studies at Maryhurst, he soon transferred to the University of Dayton and graduated in 1944 after completing a rigorous accelerated program of studies. His career as a teaching brother has taken him to schools in Washington, D.C., Hilo, Wailuku, and Honolulu. In 1955, he took further courses at Glencoe, Missouri. Soon afterwards, he was transferred to the Pacific Province's Novitiate at Santa Cruz.

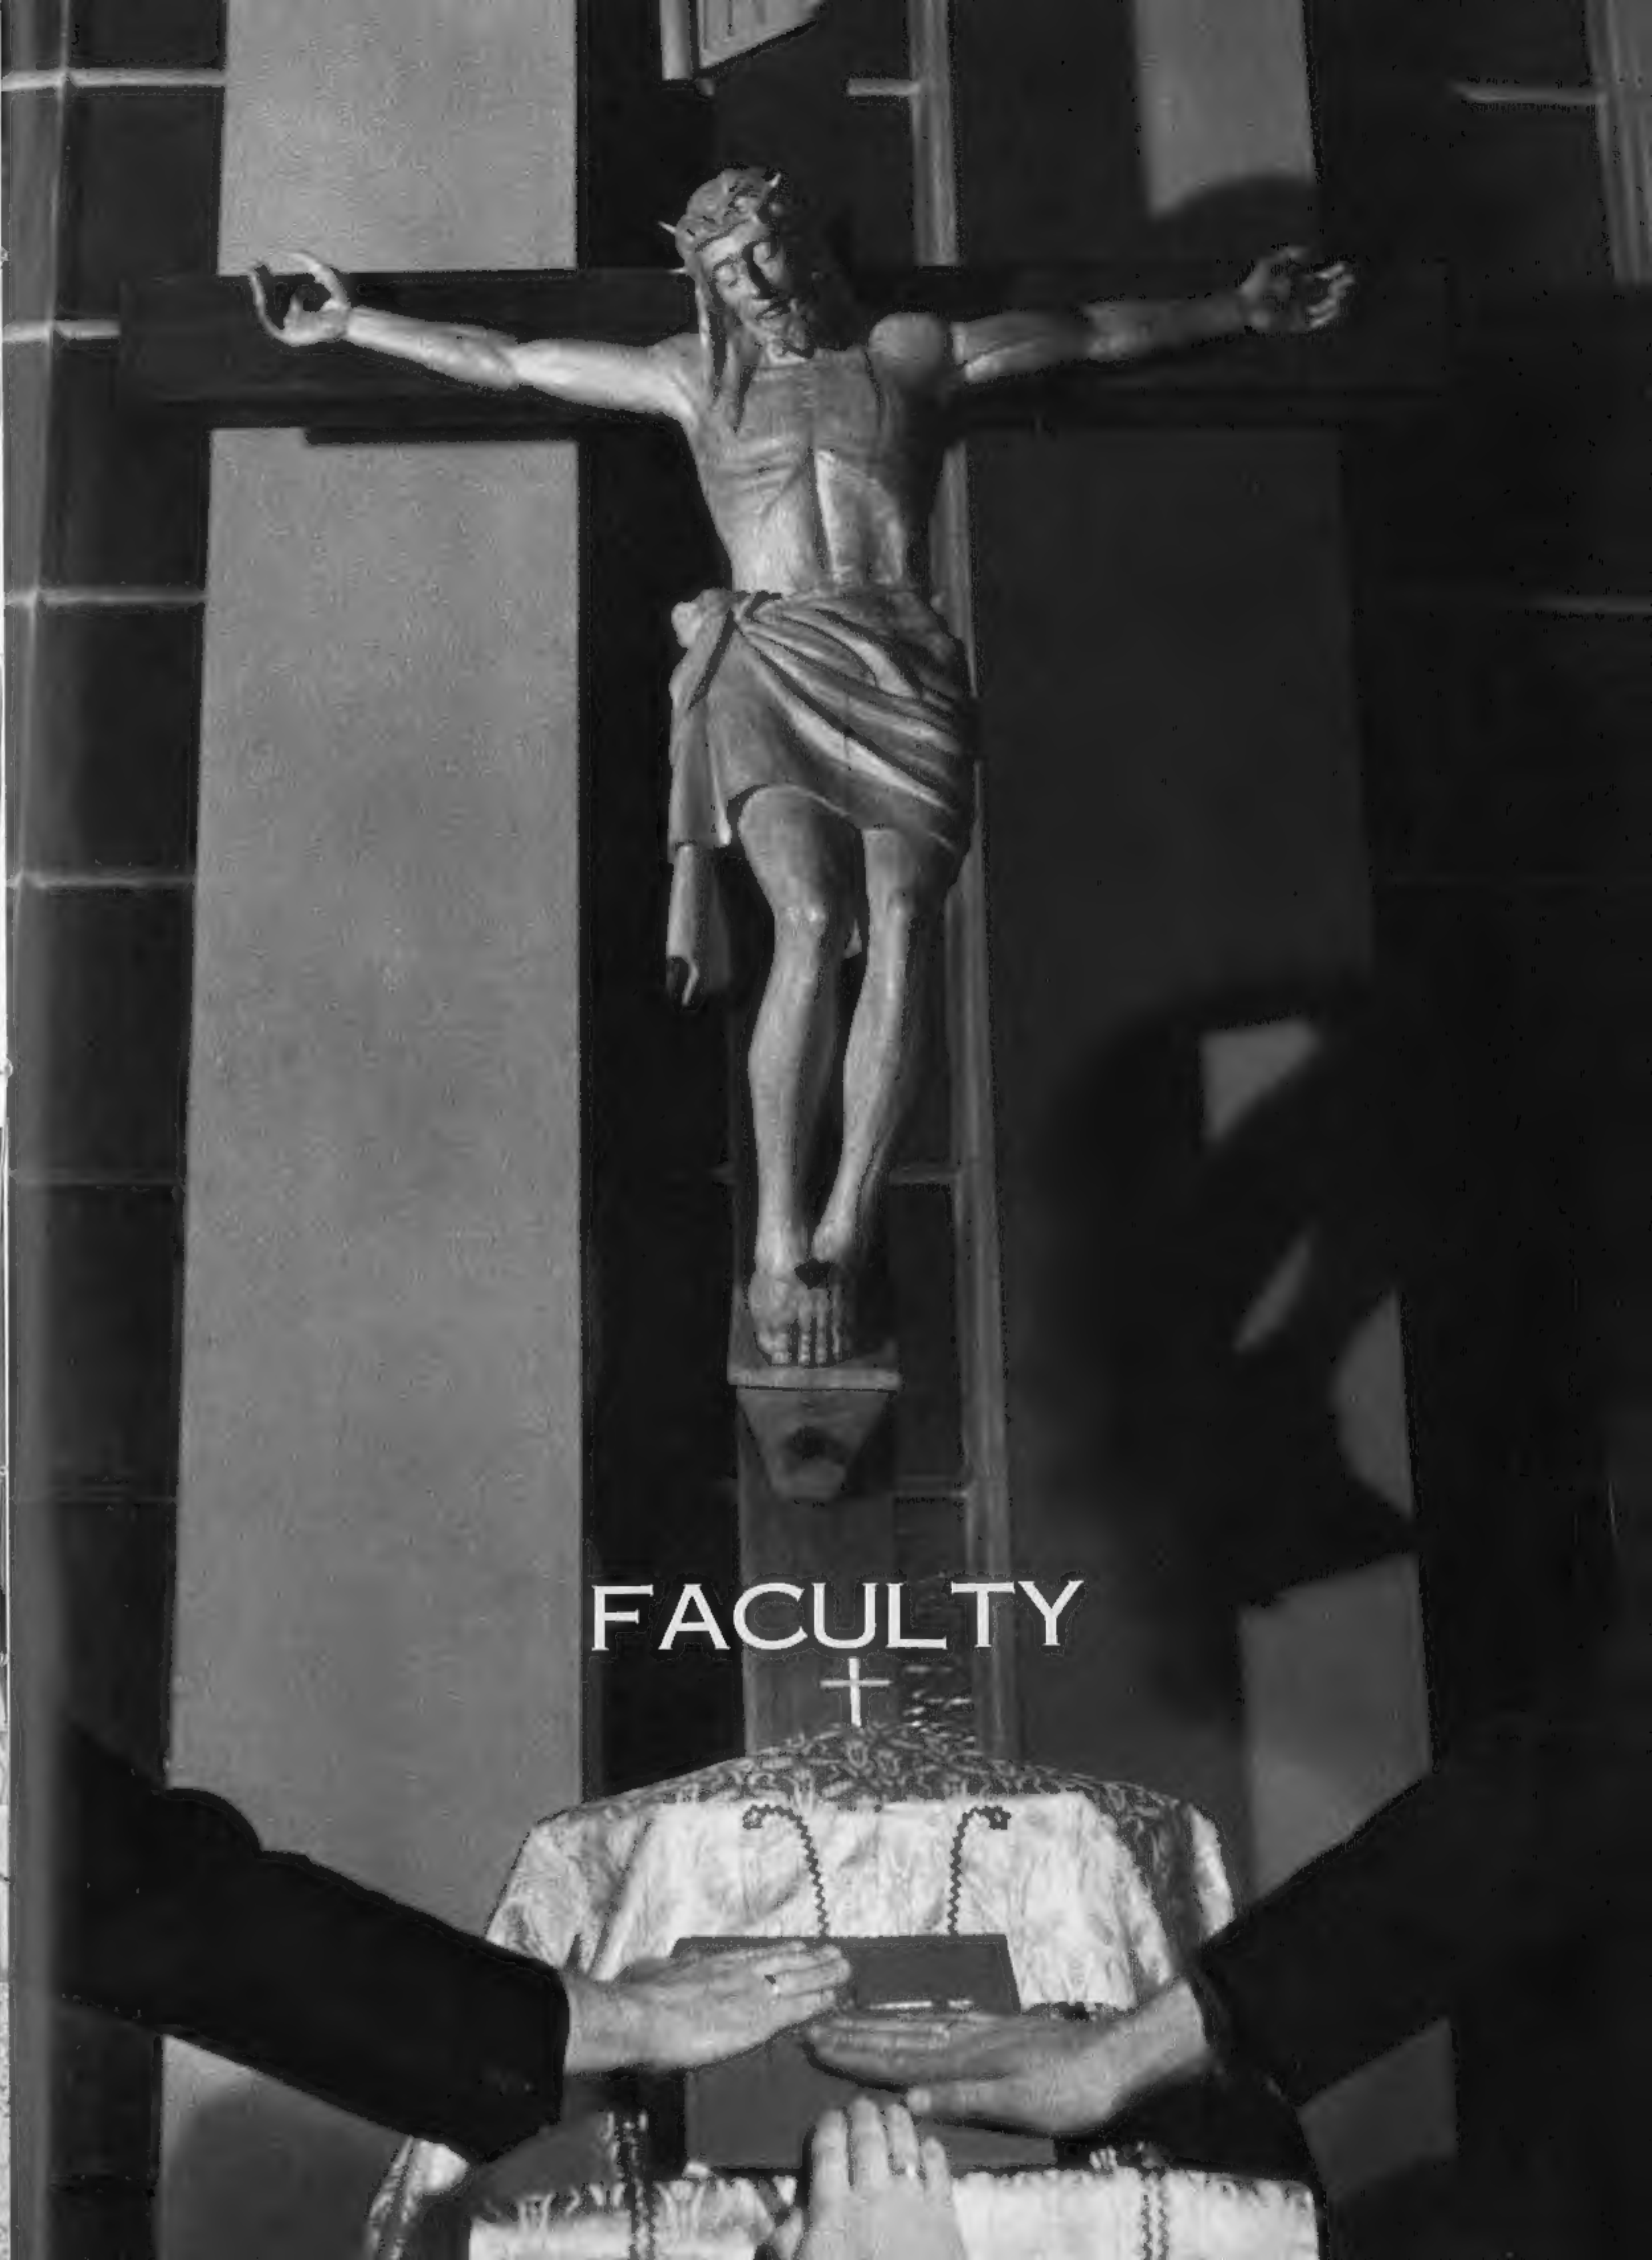

He remained at Santa Cruz until 1961 before being sent to Japan.

Bro. Loebig began teaching at SJC in September, 1961. Presently serving his fifth year, he has been the homeroom teacher for the seventh and fourth grades. 1966 marks his silver jubilee, the 25th anniversary of his initial profession of vows.

To Bro. Charles Loebig, the staff of 1966 also dedicates the Forward.

Graduating Class of 1966
St. Joseph College
Yokohama, Japan

To The Class of '66:

Graduation comes and Commencement begins. Your stay at SJC will always be remembered by the abundant Family Spirit that you manifested among your classmates and Faculty.

Your leadership in this area brought forth the fact that you knew your privilege and that you gave heartily with the fulfillment of your obligations. Your untiring efforts, for the benefit of all, is admired by all and to add to it, your leadership, by future classes will be a difficult feat to accomplish.

You have the ability to deal constructively with reality.
You have the capacity to adapt to change.
You have the capacity to find more satisfaction in giving than receiving.
You have the capacity to relate to other people in a consistent manner with mutual satisfaction and helpfulness.
You have the capacity to LOVE.

May God be ever present in your future life. Stay close to Him.

Be assured that the easiest way will be by imitating Christ in His love for His Mother. Hold to your SJC motto "FORWARD WITH FAITH & FORTITUDE."

Sincerely yours in J.M.J.
